Dear Csaba,

I would like to thank you your work, effort and support what you give us as an interim Finance Manager in the period from 17th of November 2005 till 17th of February 2006.

During this period you had to close the year, prepare reports and work with KPMG on the audit of the fiscal year. As I have learnt from KPMG they could finish the audit as early and smoothly then never before.

Personally I also got from you a beneficial cooperation to my work.

I wish you success in the future as well.

Best regards,

Mark Baumgärtner
